Sealine 18 Weekender Sport Cabin Cruiser

Excellent condition throughout for year. Very easy to navigate and low maintenance costs make it a perfect starter boat. Everything you need to have fun, just add water!
 2 berth cabin with straight out toilet. It has a cover but no canopy.
 25HP outboard engine runs sweet as a nut (I also have a spare Suzuki engine exactly the same (complete but needs new carbs, perfect for spare parts) and a Honda 2.3 backup available by separate negotiation). Perfect for a bit of river cruising or fishing. Would be a lot of fun with a bigger engine, pull a few skiers/inflatables if that's your cup of tea. A few minor criticisms to mention are that the centre floor panel in the cabin has gone missing (easily replaced), the dials (revometer, speedo etc.) do not function as were never hooked up to the engine, could do with a spring clean and a little spruce up if desired but perfectly usable and presentable as is.
 Was anti fouled at the end of last season so no worries there. Engine last serviced a year ago. Twin axle braked trailer included in sale. I am happy to separate if you don't want the engine or the trailer. Delivery could be arranged for a fee, please ask for price. All in all she's a great boat. Excellent usable investment, can only rise in value over the years.

Thorough inspection welcome any time at RAF Wittering.
 Due to previous time wasters on eBay I will not accept offers through eBay or end the listing until a deposit has been received.
 Sorry there's not many pics, will give her a wash and update when I get the.
