Fab round circular vintage convex mirror with wonderful thickly moulded plaster acanthus leaves all around. It has been upcycled to give it a new lease of life by hand painting in Farrow & Ball's gorgeous new shade of grey(Worsted) only introduced this February and named after the classic cloth woven in the old Norfolk village of the same name. It is a lovely mid shade of grey which will blend with almost any interior from modern to traditional to shabby chic country style. It is in very good condition for its age and measures 18"/46 cms in diameter. I also have several other lovely reclaimed vintage items painted in this shade, a wall mounted wooden kitchen roll holder, wooden key hooks/tidy, kitchen plate rack and a letter/mail storage box/rack as well as larger ornate french mirror in various shades of grey from Farrow and Ball, little Greene or other top quality heritage.
