Ldv Convoy 2000 LWB MOT 9 months, new exhaust low miles banana transit engine

South East, West Sussex Location https://www.freeadsz.co.uk/x-394734-z

Bought this for some landscaping and fencing jobs, exhaust was blowing so today. I have had a new centre and rear box fitted It has a transit banana engine, 2.5 non diesel 3 seats, MOT roughly 9 months has rear step, but rear doors could do with a new catch. Good runner and ideal if you got any large jobs coming up etc. No stupid offers please and not desperate to sell as still useful for collecting materials on the job 07753431773 077534317...(click to reveal full phone number) Chris;
