

## Modern electric fireplace (50 GBP)

Location **West Midlands, Staffordshire**  
<https://www.freeadsz.co.uk/x-394965-z>

Excellent condition, has a scratch on the glass which can only really be seen up close and under direct light as shown in the pictures, other than that it is in full working order. The heat setting can be turned up or down as can the flame intensity and the light intensity underneath the stones. The stones can also be moved around to be arranged in a way you desire. The fire is remote control operated and the flames can be turned on without the heat for display purposes.;
