This one has just come in with us here at acar2go with less than 25,000 miles on it and just the one owner from new. The 1.6 Litre Turbo diesel costs an amazing £30 to tax for the whole year and will return over 68 miles per gallon on a long journey! Better yet, it's in a low insurance group and so certainly won't break the bank, whilst the 6 speed manual gearbox makes it wonderfully pleasant to drive, with ample power distribution through all the gears, even considering the incredible running costs! This car is only two years old, in which time it has covered little mileage and been looked after very well. If this does happen to be the kind of thing that you're in the market for then we'd love you to pick up the phone and get yourself booked in for a drive, thanks for looking in! At acar2go we bend over backwards to ensure that we deliver customer service which really is second to none. Not only do we look after our customers before and during the sale but afterwards too. We're Approved by the Trading Standards as well on the Buy With Confidence scheme to give you that all-important peace of mind everybody wants when buying a used car. What's not to like? Remember acar2go Where You Pay Less and Get More! Finance is available subject to status, please don't hesitate to contact us for a no obligation quote. ABS, Immobiliser, Alarm, Remote Central Locking, Power Steering, Air Conditioning, Electric Windows, CD Player, Electric Mirrors, Height Adjustable Seat, Adjustable Steering Column, Rear Headrests, Multiple Airbags, Radio, Folding Rear Seats, Metallic Paintwork, Colour Coded Body, Cloth Upholstery, Steering Wheel Audio Controls, acar2go Multi-point Check, Alloy Wheels, 3x3 Rear Seatbelts, Just One Owner From New, Heated Front Screen, Front Headrests, Heated Rear Screen, Full Service History, Diesel Diesel Diesel, £30 Tax for the Whole
