LG 32quot television flat screen (90 GBP)

Location Yorkshire and the Humber, North Humberside https://www.freeadsz.co.uk/x-405152-z

The television is in perfect working order. It was purchased for my father 2 years ago but shortly after he went into a home and didn't use it again. It is now not needed but has had little use. However the remote control although working is not in brilliant aesthetic.
