This is a genuine opportunity to purchase Windows 8 PRO, which can be upgraded to Windows 10 PRO. Microsoft's current price is £190, but you can purchase this for just £95, i.e a substantial discount.. This was originally bought for my old desktop computer, BUT NEVER INSTALLED, as I had to purchase a laptop computer for work, which already had "Windows 8" pre-installed, hence the reason for this sale. Note price has been substantially reduced to.
