This two-berth motorhome is based on the Peugeot Boxer, a vehicle that's pleasant to drive with better than average handling and refinement. The Peugeot's 2.8 litre common-rail turbo-diesel engine provides plenty of power and can spirit the Autocruise Wentworth along at a considerable lick. Considering the size of this long-wheel base motorhome, and the weight of its quality interior, performance is particularly impressive. The Autocruise Wentworth is designed to provide a lot of usable interior space. On walking through the main door, you will find the large wardrobe immediately on your right, cupboards drawers & the fridge.
 CD Player, 2 Berth, Blinds, Awning, Sink/Drainer, 4-Burner Hob, Oven, Grill, Shower, Hand Basin, Rear Washroom, Curtains, Reversing camera , Blown Air Heating, Loose Fit Carpets, Tow Bar, Full Size Cooker, Mid Side Kitchen, Front Lounge, Trumatic Heater, 2 Long Bench
