The second generation model follows in the same footsteps but with some key improvements. It may look very similar, but in fact it is totally new with a stiffer body for better refinement with the roof down. MINI has also changed the rollover hoops which used to block rear visibility, making the model much more driver-friendly, especially when parking. As with any MINI it is great fun to drive while the engines offer a strong combination of performance and economy. few small convertibles can match the sheer desirability and style of the MINI,It's every inch as good to drive too with pin-sharp steering, plenty of grip and a positive gear change.50 MPG,ABS,Air conditioning,Alarm,CD,Driver's airbag,Electric mirrors,Folding rear seats,Front electric windows,Height adjustable drivers seat,Isofix child seat anchor points,Parking sensors,PAS,Passenger's airbag,Remote locking,Service indicator,Side airbags,Steering wheel rake adjustment,Steering wheel reach adjustment,Traction control,Alloy wheels,Audio remote,Body coloured bumpers,Cloth seat trim,Front fog lights,Heated mirrors,Lumbar support,Partial leather seat trim,Phone connectivity Blue tooth,Sports seats,comes with a service and "FREE MOT'S 4 LIFE" Only @ [www.bondcarsales.com](http://www.bondcarsales.com)
