Spectrum Specialist Support is from a rope access background and we are very proud of the projects we have completed and the clients we have helped. It is an industry we are proud of being experts in and are passionate about the work we do. This is visible throughout all of our projects, from planning to completion. We regularly keep our clients updated with photos to show progress of our workmanship no matter how small or big the rope access project is. We are grateful and proud to have repeated rope access business from our clients, and hope to do so for many years to come.

The flexibility and amount of options available with rope access are endless, which is why we spend extra time preparing and planning our projects for our clients, thinking outside the box, and using innovative solutions to try and reduce the time required to complete a task so that we can ultimately try and save our clients money.
