IET Guidance Note 3: Inspection & Testing  
 (Amendment 3: 2015)

Incorporates the latest amendments made in Amendment 3 2015 of the IET Wiring Regulations, including:

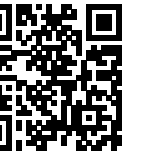

- Changes to earth fault loop impedances for all protective devices
- Earth electrode testing

The IET's Guidance Note books are made to be used in combination with the IET's Wiring Regulations and provide greater emphasis on a particular aspect of the regulations.

This booklet covers the inspection and testing part of the guide, and it includes: General requirements Initial verification Periodic inspection and testing Test instruments and equipment Forms It also includes two appendices on maximum permissible measured earth fault loop impedance and resistance of copper and aluminium conductors.
