These puppies are bred from show winning lines and both mum and dad, who are here for you to view have over forty champions in their pedigree, excellent bloodline and do not contain any Kennel Club unrecognised colours.
†These adorable little pups are being brought up in a clean, warm and loving environment, as well as a very busy bousehold with other dags, cats and young children so will be well socialized and used to

An amazing quality First Litter of self whelped fawn black masked pug puppies, one boy and four girls.

a€ These adorable little pups are being brought up in a clean, warm and loving environment, as well as a very busy household with other dogs, cats and young children so will be well socialised and used to noise.â€"The puppies are being wormed fortnightly from birth. They will be weaned on Royal Canine Pug food, which they will leave with in their puppy pack to get you started and will be doing really well with their toilet training.

The puppies are ready to leave now, they born on 17/06/2016. â€"If you would like to offer one of these super puppies a forever home and would like to make arrangements come and.
