Here at 24/7 Motor Repairs, we can take on all types of motor repair jobs throughout Essex. Nothing is too big or small and we are always happy to help. We focus on the importance of making sure that we follow all of the up to date requirements, procedures and equally, health and safety. Alongside of this, making sure we provide a friendly and efficient service is key to our word of mouth success. If you require a mobile mechanic, we will make sure and can provide you with the most personalised solution based around your exact needs. Avoid the hassles of dropping off your car and being overcharged by BIG car garages. Free pickup from your place to our garage.

Full Range of Car Service Types! From basic maintenance up to the most complicated repairs, we are ready to serve you at your location. We provide top-class repairs on water pumps, oil filters, brakes, electric windows, A/C repairs, Flat tyres, alternators, and many more on all old and new models of vehicle, of any brand!

Affordable Service Cost – Stay in Control of the Cost! Providing an affordable service is one of our top priorities. You are also in control of your expenses because we will give an estimate and list of things that need to be repaired before servicing your vehicle.

Professional and Honest Technicians! Your vehicle will be serviced by certified and professional mechanics, who also pride themselves in giving an honest service. Unlike any other mechanics, they will not add any defect for the sole reason of adding charges to you.

24/7 Clockwork Service! We offer a service that truly works for our vehicle. Whenever an issue occurs, we are available to you. If you are stranded on the side of the road, even in the middle of the night, you need not worry. We are here to solve your problem. We are committed to providing a repair service 24 hours a day, 7 days a week. We offer a complete service and you won't pay any extra charges on weekends, holidays, Saturdays, and time outside the regular working hours!

Reliable Used Car Pre-Purchase Inspection! Aside from car repair and maintenance, mobile car repair London also offers guidance in buying a used car. If you are planning to buy a second-hand car, we can inspect the vehicle first and provide you a detailed report that will help you decide whether to buy the car or not!
