Rare opportunity to own a cult classic Honda CB-1 NC27(this one is rarer still,as it's a MK2)!  
it's in good condition mechanically and electrically.  
runs rides great,Loads Of Fun to ride.  
lots of money spent over the years.has had replacement exhaust gaskets and bolts,replacement radiator  
and fan,coolant,replacement clocks(actual mileage is 39360).  
new choke cable.  
new mot(until july 2017).  
i have all the old mot's from since i've had it,wich will also proove the mileage.  
allways goes through the mot without problems.  
has a custom made carbon fibre exhaust(done by one of the previous owners)with DB Killer fitted.  
carbon fibre effect,black, rear indicators.  
tank was recently vandalized(a couple of areas had the paint chipped off).  
i have re sprayed these bits,so doesn't look perfect.  
the seat has a little repair patch on the rhs but is great otherwise.  
the rear/seat cowling has a piece missing just where the rectifier is(i think it was done deliberately by one  
of the preveous owners,to ensure better cooling/air flow for the rectifier,as they are prone to over heating  
on Honda's).  
and the rhs stay is broken off,so it droops a bit.  
sprockets and chain are good,tyres are good,though front tread in the centre is slowly,slowly getting  
there.

the forks and seals are perfect  
the forks had a brand new front brake system replaced with a new front brake cylinder and  
new brake switch. and the old a little stain on the steel bars and brake line to replacement with a  
new front brake pads and brake nipple  
the new gel battery  
brand new mirrors.  
the forks could probably do with balancing but not a problem at all.  
i will include the original front brake caliper(seized bleed nipple) and a brand new pair of front brake pads.  
this is a 25 year old bike that lives outside and by the sea so, of course it's not showroom condition or  
gleaming clean.  
any questions,ask away. £1125 sold as seen ;
