

Suzuki GSXR 2011 (5,595 GBP)

Location **West Midlands, Warwickshire**
<https://www.freeadsz.co.uk/x-423035-z>

The best 600cc supersports on the road, easy to ride, 165MPH, Brembo brakes, adjustable pegs, gear indicator, it all makes this bike so nice and easy to ride, but this thing has loads of low down power, and a low seat height to aid the shorter of riders, the last owner was a lady, and to top it off, its in blue/white colours.
