Work with us at The Haven Health Clinic ! The Haven is one of the biggest and busiest clinics in South Devon; we have 3 Treatment rooms and an extensive team of 10+ practitioners. We are always on the lookout for enthusiastic practitioners and health care professionals. What makes The Haven different is among professional settings, a welcoming reception, great premises and a proactive attitude, we also have the marketing know how and advice which comes with the package. When you join our team, you will receive the marketing and business management advice which makes the difference between therapists with passion who are forced to quit their practice and look for a job and those practitioners with love for what they do and which are able to build a successful business around their love for helping others too. This enables you to help even more people whilst able to maintain a decent life style. All practitioners need to provide the following:

- Full professional qualification
- Full professional liability insurance
- Proof of membership to a regulating body
- Evidence of Experience
- References Practitioners will be invited to complete an application form and attending an interview.

Upon satisfactory outcome of the interview, we reserve the right to contact the referees and make the applicant an offer of recruitment. Depending on the level of membership, practitioners recruited at The Haven Health Clinic will receive the following:

- Your own slots allocated in one of our therapy rooms
- Plenty of flexibility for ad-hoc hours to manage emergencies and unexpected bookings
- Being part of a large team of professional practitioners
- Daily reception Monday to Friday (increasing to include Saturdays soon)

- Professional premises with holistic, earthy and vet professional look
- Competitive rates
- Free parking, well stocked and regularly maintained
- Free Ashburton Freeadsz.co.uk website which ranks high on Google search engines
- Free access to our social media channels, Twitter, and Facebook
- Advertisement within the premises with business cards and leaflets
- Advertisement on leaflets distributed in and around towns as well as other media
- Inclusion in mass marketing campaigns at a fraction of the costs
- and much more;
