I have a double room in a well looked after house. All amenities ie washing machine etc close to shops, train station and bus route. I'm looking for someone that is working. The room can be decorated and be made homely. You would be sharing the living room and bathroom with myself. I have two loving dogs so animal lover a must. You are welcome to come an view the room. There is single bed and wardrobe in the room but can be removed if you want to put your stamp on it.;
