We do the national advertising, key handling, linen changes. If you can remember the last time you stayed in a hotel, you know your room was not anything like this. It is clean and tidy, it has a coffee machine, a TV, a stereo, even a nice air con. We provide a table service 24/7 in July, 24/7 in August and maybe a top off peak in the evenings more. Your stay is only 14 days, so you can imagine why we would do what we do. You can see the caravan or text to book an appointment for yourself, in this it will give me a chance to show you the facilities we have to offer you and your family, as well as point out some of the other models of caravans. This appointment will give you everything you need in order to make an informed decision on whether holiday home ownership is for you!
