

# Red Citroen Relay Panel Van - 2003 - 134039000 Miles (800 GBP)

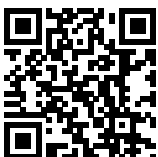

Location

Yorkshire and the Humber, North Yorkshire

<https://www.freeadsz.co.uk/x-427255-z>

Citroen Relay Panel Van, 2 owners from new, medium wheel base, high roof, equivalent to a new L2 H2. 1st owner did sixty thousand miles in first 3 years only carrying ceiling Tiles. It's then been used locally as a kitchen fitting van, served regularly and always attend to anything required or suggested by the garage. Very clean for its age all doors, central locking, radio, electric windows ect still working fine and there is a Parrot fitted for blue tooth hand free and music. Its recently developed a loss of power on high revs, its still been used for work but with that and the MOT due end Sep / Nov we have decided to treat ourselves to a new van, with a bit of attention this one still has plenty of miles left to offer someone. Price for a quick sale as I don't have the storage space for 2 big.
