My old LDV up for sale 2.5 non turbo its cheaper to run then expected, its not a winner on looks or speed but has been great for our landscaping work and collecting materials when needed. I have had the centre and rear exhaust changed, new starter motor but it needs new filter fitted I have it ready to go but I not mechanically minded so upto new buyer to sort please. I have more pics to show dinks scratches etc please don't expect a minter Mot till next year I have full v5 its currently taxed insured mot and still being used weekly. Wont take under £800 so no offers please it owes me a sill amount so cant justify loosing anymore
