For sale, Skoda Fabia 1.4TDI small Diesel engine gets about 50-60 MPG around town. I'm the second owner and the car has wanted for nothing since owning it. Ita ta for a full service history and a few cosmetic marks but it is a 10 year old car. Since owning it I've put 4 brand new hankooks tyres on it, Cv boot and lower bushes. Nothing major at all. Its got a years mot on it and the tax is really cheap as well. Cheap to insure and goes really well. Will give the car a full clean and valet before sale but all round a great little car i paid 1500 last December and have only covered 6000 miles on it since then. Please dont one hesitate to get in touch. Great little car;
