

TWO-SEATER SOFA (75 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-434256-z>

This beautiful 2 seater sofa is finished in a rich cream fabric. The fabric is ALCANTARA and is composed of about 68% polyester and 32% polyurethane, giving increased durability and stain resistance. The appearance and tactile feel of the material is similar to that of suede, and it may be incorrectly identified as such. The size of the sofa is 133cm wide, 90cm deep and the height is 76cm (floor to top of back) or 90cm (floor to top of cushions). There are four removable cushions making up this sofa and all have a full zip for easy removal for dry cleaning. The sofa is in very good condition and comes from a smoke-free.
