Black, 5+ owners, The CBF1000 just as easy to ride at slow speeds through tight busy traffic as it is to have fun down an unfamiliar B road. The ride and comfort is excellent and the linked ABS are very effective, like riding with a safety net, ideal in the wet. Honda claim the newly fuelled engine is now 7% more efficient than the old bike; it's easy to see fuel figures of 50mpg and more. New clocks add the quality finish and the screen is three way adjustable. ABS is excellent, one of the leaders in this class. This one comes with a tall screen. The North West's finest family run motorcycle dealership, £4,495 no
