

Free class at new Glee Club in St Albans (6 GBP)

Location **East of England, Hertfordshire**
<https://www.freeadsz.co.uk/x-439750-z>

The N A Music Glee Club will help children learn to sing and dance, build confidence, make new friends and learn the skills to communicate effectively with others. A FREE "taster" session is available as a welcome, for all children from 7 to 16 years old. Nicola Anne has been performing across London and in shows nationally for 10 years and has a wealth of experience working with children of all ages. Some of her students have gone on to get agents, star in commercials and even perform in the West End. She points out that September can be a challenging time for children, going back to school, meeting new class mates and whilst some find it easy others find it more difficult. This was one of the reasons she decided to set up the Glee Club. As parents we know not all children are bouncing down the road, singing songs, performing hit musical numbers and bursting with confidence, we hear all the time about how youngsters are finding it more difficult in this fast paced world, the internet generation, with more time spent looking at mobile phones or tablets than enjoying the company of their peers. This can all too often lead to less interaction and ultimately less self-confidence. The good news is, anybody can learn to be a little more confident and have fun whilst in the process. Children can come along to the FREE taster session and decide if they would like to join Nicola Anne Music's 'Glee Club' which will take place every Wednesday. The children will be split into two classes, 7-11 years old and 12-16 years old and each class will be 45 minutes long. Here they will cover all genres of music and further their singing and dancing skills whilst having fun. For more information or to sign your child up for this exciting new club, please contact Nicola Anne at [click to contact](mailto:nicola@na-music.co.uk) and we will send you further information. Look forward to hearing from!
