Enjoy delicious, nutritious drinks with the Nutri Ninja. With its powerful 1000W motor, the Nutri Ninja forces everything through its patented Pro Extractor Blades that have been designed to break down whole fruits, vegetables and ice in seconds. The blades then break down and extract all the extra goodness and nutrients you would normally throw away. With Auto-iQ™ Technology, the Nutri Ninja features pre-programmed settings with unique blending patterns that deliver smooth consistent results, with no guesswork required. Simply select your favourite Auto-iQ™ program, press the button and the Nutri Ninja will do all the work for you. Included with the Nutri Ninja are a 500ml single serve Tritan cup with sip and seal lid, 650ml single serve Tritan cup with sip and seal lid, and an inspirational recipes guide.
