Border Collie Cross FREE TO A GOOD HOME I'm rehoming my border collie cross because he keeps having ago at my other 2 dogs. Not sure what he would be like with young kids but i'm thinking jealous but he is use to using a crate. He would be better living on his own or a female dog. He was born at my house. So i've had him from birth. So this is very hard for me but its not fair on his mum or dad when he has ago at them and wont let go. He needs someone that will give him lots of love and cuddles and take him for a good run round the field. If you let him out in the garden you will need to make sure there are no holes. Because when he see's a cat he runs after them. He gets very jealous if i'm cuddling my other dogs. So be aware.
