

Kona Process 111 Deluxe 29er 2014 (1,149 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-440686-z>

Defining characteristics of the bike are short (430mm) chainstays and a low BB, both achieved by omitting the front dérailleur. With the Process 111, Kona maximize all the advantages of the big wheel and incorporate slack/low/short geometry. FOR MORE INFO:
