

Tech Get Go-LIGHTNING USB CABLES FOR APPLE IPHONE

Location **Scotland, Clackmannanshire**
<https://www.freeadsz.co.uk/x-441043-z>

The lightning USB cables for Apple iPhone are reinforced with ultra high tension flexible outer materials. This material will make the iPhone charging cable stronger than conventional cables. With a great length to choose from, the cord length is optimized for use with hard to reach USB.
