Want to lose weight? Finding it difficult to find what works for you, controlling your cravings and dropping body fat? I have developed a 12 week nutritional plan that is tailored for you. It works with your daily life, foods you actually like and bi-weekly changes to ensure you get the best results! The 12 week plan includes:

- Tailored Personal Meal Plans
- No shakes, no pills and no magic potions - just real food!
- Family friendly meals
- Meal prep advice
- Body Composition Analysis
- Metabolic Analysis
- 7 day a week support and advice
- Bi-Weekly revisions to ensure the plan works for you
- At your home, via Skype or you can come to me This plan is now just £140 for a limited time only (was £240!). That's a whopping great £80 saving! Get started now and join the EightyNine Nutrition Tribe Call me on 07752009465 Email me at [email]
