Location **London, London**

Brand: Camerich
Model: The Alison Large Corner - Short Chaise
Colour: Papyrus

Selling this awesome large sofa and chaise lounge as we have decided to move out of our flat...we have been in our place less than a year, seldom been there and the sofa is in mint condition.

There is absolutely no damage, and is as good as the day it came out of the delivery truck. You can comfortably have two people stretched out on it, it will seat 4 easily and the chaise lounge is perfect for relaxing and watching TV.

We can't take it with us as we are moving into separate flats already supplied with furniture and cost of storage makes it a more sensible option to sell.

We paid £2600 for the sofa less than a year ago, we would love to get £2000 back for it but realistic offers will be considered due to timing constraints.

If you live in London we will include free delivery if meeting the asking price!
