Building work Dalton Properties will assist you in your venture to renovate or repair your property, whether you intend to rent, resell or live in the property yourself. If you are interested in purchasing property, we can assist by surveying the property and give you an idea of the renovation or repair costs involved, which will also largely reflect on your intended use for the property. Repairs for renting are often allot less costly that renovation for sale as the customer will have different priorities. Repairs for renting need to be restricted to a warm dry environment with reasonable cooking and preparation facilities, bathing and toilet facilities, and decoration. And any advance repairs to prevent property deterioration (roof, pointing, windows, doors etc.) Repairs for resale need to consider like for like properties available in the area, matching key facilities, and adding value where recoverable. You're Project Contact us and discuss your plans, maybe it's something you're doing now or planning to do in the future, maybe you are interested in building a portfolio now for your retirement, we are here to help you though the whole journey. There's no obligation, and no pressure selling, progressing further is up to you. Kitchens, Bathrooms, Showers, Additional WC, New build extensions, Doors, Windows & conservatories, Rewire and central heating, Plastering, Decorating Plumbing, Electrical, Roofing, Joinery maintenance, Alarm Systems Landscaping, Block paving, Patio areas, Pathways and Drainage.
