For sale is a beautiful black female pup, with 3 or 4 little white hairs on her chest. She is a playful girl and is growing well, she is fully weened and is growing super fast! She will be ready to leave on the 13th October in the afternoon or the Friday/Saturday depending on circumstances. She will have her 8 week vaccine and will be micro chipped (the microchip will be left blank for new owners detail's.) We require a £50 deposit to secure her, then the rest to be payed when collected. Both mum and dad can be seen in one of the photos and I have a few more of them with the litter that can be shared on request. She can be viewed before she's ready to go, so don't hesitate to.
