Male masseur in London for visit your home , hotel and offices! Hi, my name is peter I'm a qualified professional male massage in London and the surrounding areas. I have over 13 years hands on experience and have Diploma levels 3 and 4. I offer a slow full body, deep tissue massage. My massage is tailored to relax your mind and body. Being a fully mobile male masseur, I can provide my specialised massage in the comfort of your own home, or a hotel.

The massage I provide will also improve your circulation, joint range of motion and flexibility. It will also reduce stress and muscle tightness, aches and pains. I also offer treatments for Sciatica by using rotating movements of the hip joints.

I provide my massage services to everyone regardless of their sexuality and ethnic origin. If its your first time, you can be 100% assured that you will be in safe hands. I have many clients who come back time after time for my personal, full body and relaxing massage. Call 07932407848
