Brought new and first registered in January 2007 so only 1 owner, and is no longer wanted due to passing my car test. I have the log book and it passed it's MOT this month with no problems. Has only done 2717km. There are a few scratches, which are shown in the photos but it's only cosmetic damage. Runs fine and starts easily, both electric and kick start. Buyer to collect, with cash on collection. Only serious offers considered, no time wasters.
