I am selling our Suffolk lawnmower it is about 5 years old. It comes with an additional scarifier attachment which was bought as an extra for £74.99 . The mower cost around £299. It is a standard cut 14 inch mower with a plastic grass box. The engine runs very well. There is light surface rust to some metal parts. Not bad or much. The machine is ideal for small to medium gardens. It produces good stripes. In addition the scarifier can be fitted to help maintain your lawn. Reasons for sale are simply we have several older mowers as I am a bit of an enthusiast and this one has to go as we have not used it these season. Please contact me.if you wish to haggle. ;
