I hava a great shiny bike which i love; but i need to sell as i don't have time to use it. I think its would be better for someone who rides regularly. Its got Shimano group set/breaks. Its in great condition. There are slight scratches on the Shimano brake, when i turned it upside down to look at the tyres. The tyres have never punctured, and threads look like the bikes not been ridden. Its hardly used so i think its better to sell. Apologies for the blurry photos. Selling for 300.
