

## Bad Company Richie Sambora UNDER FACE VALUE 2 (separate) pairs tickets London

Location South East, Middlesex https://www.freeadsz.co.uk/x-447144-z

I have 2 pairs of tickets for Bad Company (with Richie Sambora + Orianthi as support) on Saturday 29 October 2016 at the O2 in London. I bought these from Ticketmaster when they were released but no longer need them. These are good seats - Block 111, Row M (one pair) or Row N (the second pair). Exact seat numbers are not provided to prevent risk of fraud, but each seat in the pair is next to each other (I can tell you that Row M is between 323-339 and Row N is between 343-357). I will sell each pair separately. Cost is £100 for each pair which is a BARGAIN because cost (including booking fee/postage) was £129.95 for each pair (face value £55 each). I am selling at under face value simply because I am trying to recoup some of my losses. No offers - these are already a bargain. These will need to be collected in person, either from Lewes (outside of work hours) or from London (West End, Green Park, during normal office hours) with payment in cash. You are collecting from my home or work, so you know these are genuine. I cannot post these because then we get into the age-old chicken & egg question of what comes first - payment or delivery.... Any questions, please.
