OptiSol Business is a web and mobile application development firm serving startup, SME and large enterprises. We have about 140+ resources with expertise in various technology stacks and working on agile development methodology. We claim ourselves as SMAC Company as we focus specifically on Social - Mobile - Analytics - Cloud (SMAC) applications and we help organizations in their digital transformation. We are a TOP rated provider in Peopleperhour market place. You can view our profile and hire us at www.pph.me/OptiSol Services: Web and Mobile Application Development, UI/Graphic design, click through prototype development, startup consulting. Our specific service offerings include 1) Social commerce, networking, market place and web applications, 2) Mobile applications, 3) Predictive and prescriptive analytics, 4) Cloud computing and 5) SaaS application development

Engagement Approach: We have flexible engagement options on a proven onsite-offshore framework and engage via Turnkey/Fixed bid model, Time & Material and virtual offshore team. Happy to sign NDA before kick starting any discussions. Key Differentiators: 1. Digital transformation based solution architecture with key focus on social/mobile/cloud/web service offerings 2. Agile development methodology with iterative releases and milestone linked payment. Dedicated tester to validate each iteration releases and end-to-end integration testing 3. Tool driven development using Pivotal Tracker/InvisionApp/Slack for transparency in execution. 4. Competitive pricing by leveraging our onsite offshore framework with developers based out of India 5. Resources with average experience of 4+ years in various technology stacks bound with stricter NDA

and data privacy measures. Contact Us: OptiSol Business Solutions
