

Stanley Sliding Wardrobe Doors (100 GBP)

Location **West Midlands, Worcestershire**
<https://www.freeadsz.co.uk/x-450576-z>

Set of Stanley sliding wardrobe doors. THIS IS NOT A COMPLETE WARDROBE, you have to construct them within an alcove or fit them into a corner with a separate end panel, not provided. This allows you then to create your own inside format, with hanging rails, shelves, cupboards etc, that you can build yourself, again not provided.

The top and bottom rails are 246cm long (just over 8 feet in old money), there are 3 doors (2 pine panelled effect, 1 full mirror) each 91cm (3 feet) wide and 223cm high (7 feet 4 inches) high. If your room is higher than this there are 27 spacers, totalling 25cm high, which can be split into 2 x 12.5cm high, 3 x 8.3cm high or 4 x 6.25cm high, which you fix into the ceiling and to which you attach the top rail.

The doors have connectors to attach to the top rail, and then slot into the groove on the bottom rail. The connectors on the top of the doors are adjustable if minor adjustments are needed. When fitted the doors overlap by an inch on either edge so there are no gaps.

Cash and collect, no.
