I have 2 black leather chairs, 1 pool table, 1 kitchen table with 4 chairs all in excellent condition. I would like a reasonable price for these items. The armchairs would look so good in a large living room or office. The pool table has been used for three days over the Christmas period and is in excellent condition. The kitchen table has a tiled top and is in very good condition. These items would be suitable for anyone setting up their new house or flat. These items are for collection.
