Vintage St Etienne road bike in good condition, 56.5 cm frame size centre to top, 56.5cm top tube. It fits me well and I'm 6'0 foot, but could suit someone from 5'10 - 6'1. 10 speed gears, steel frame. It has a Huret gear system and all French components, high quality parts that still work well. The tyres are in good shape and the bike shifts and rides well. It's quite a rare bike in the UK and should continue to ride for.
