This beautiful holiday home has just been taken in part exchange. It comprises of three fully fitted bedrooms. The main bedroom has a double bed and plenty of space and storage. The twin bedroom with two large single beds and plenty of overhead storage. The family bathroom room comprises of a toilet, basin with vanity unit & double shower cubicle. The kitchen has fully integrated appliance including cooker, grill and 4 ring hob, tall fridge, freezer and plenty of cupboard space for all the brand new pots, pans, knives, forks that we have kitted it out with for you! Now the lounge is where all the family can come together and has ample amount of space and of comfy seating for you all.

Now look! The images are great... but to see it in real life is even better!

I've not even started to tell you about the facilities yet! But I have included a few images for you and if you want to see more, please call, or text me... I can show you two things that you a bit more. Have you ever been to a holiday park where you can see this sort of thing? I have a few others that I can show you. If you are interested, I hope you won't be!
