

Songs written by a recording artist.

Location **London, London**
<https://www.freeadsz.co.uk/x-457033-z>

I am offering the songs that I have written. I am looking for a record label. I am offering my songs to be sold by the record label, in return for being hired. I am looking for financial investment in the music recording process. I have 30 songs and more that I would like to create a CD with. I require a record label to be in business. ;
