Two elegant white Bedside tables in the New England style, the perfect addition to a master bedroom. These Bedside tables are unique in style with a small drawer and cupboard, perfect for storage. These items are both in good condition however one has a small dent (as seen in picture) on one of the back legs though this cannot be seen when against a wall. £100 for both tables. If you are interested in the whole bedroom set please check out our other.
