

Vintage solid inlaid wood double bed with Sealy posturepedic spring mattress (100 G

Location **South West, Gloucestershire**
<https://www.freeadsz.co.uk/x-458280-z>

Vintage solid inlaid wood double bed - size 4'6" wide by 6'3" long (135cm by 190cm) with Sealy "backcare" posturepedic spring mattress bought not too long ago. Very comfortable but moving house and downsizing so this will have to go.

It is a solid construction with inlaid hardwood head and foot with a cast metal frame (comes apart for easy transport) and I replaced the worn out spring mesh mattress support with timber struts that make this bed truly great for back problems as there is a terrific amount of support but without it feeling too firm.

The mattress alone costs £200+, I'm asking just £100 for the bed and mattress. Moving house soon so needs to be gone. Can help load into your estate car or.
