

Hankook Optima 17565R14 Tyre on Ford rim

Location **North, Cheshire**
<https://www.freeadsz.co.uk/x-458561-z>

New/Unused Hankook Optima175/65R14 on Ford steel rim. Bought as a spare wheel from Ford for Fiesta..This is a standard road tyre/wheel & not a spacesaver. I believe it will also fit a Ka & Fiat 500. (The yellow stickers are because the standard Fiesta 15" wheel will not fit the Fiesta spare wheel well !!).
