Hi we are a family of 4 desperately looking for a 3 bedroom house to rent in west sussex area, ideally anywhere between lottlehampton, rustington, Worthing or maybe somewhere semi rural as I am very experienced with horses so it would be great if I could live close to a horse yard so I could work. My partner is a carpenter and we have 2 children aged 2 years and 7 months. We have the deposit, months rent in advance, references and a guarantor if needed. ;
