It was in 1946 that the first Vespa, the legendary 98 cc, rolled out of the Pontedera works. This Vespa GTS300 continues the tradition being one of the sweetest handling and most stable scooters you'll get of any capacity. Wriggle through town, between cars, over mini- roundabouts, in and out of car parks and it rewards with perfect balance and steering. On the GTS, the finest electronic safety control systems come as standard features, such as the ABS brake system and the exclusive ASR traction
