Golf GTI 12 months MOT. Back wheels have been cambered and the car is lowered. All tyres are like new. Mileage is 133000. Drivers seat has a little rip in the side. The plastics inside the car have been painted the same colour as the wheels. The car has had 2 new wheel bearings and a bottom arm. I only have the green slip but will give full receipt with car. Nice looking car would be interested in a swap.
