

# Metal constructions bespoke metal work quotMETALSTAquot

Location **London, London**  
<https://www.freeadsz.co.uk/x-459845-z>

"Metalsta" is a company in Lithuania with 13 years experience, which produce all designs metal work as a staircases, frameless glass constructions, inside and outside railings, fences, gates. We can make all your ideas become true at really attractive price. Orders are acceptable for home, office, school, restaurant, hospital and all other buildings areas. Do not hesitate to ask us about all types, designs, styles metal constructions and we will do our best, also we can draw design for you with CAD programme, which will help you visualise the final design before it goes into production. We work in Lithuania, Norway, England and other countries. You also can find us on Facebook "UAB Metalsta" or contact by email and we will answer to all your questions.
